CHIPPEWA NATIONAL FOREST

TRAIL STATUS – SEPTEMBER 14, 2012

The July 2 storm affected over 200,000 acres with 47,000 acres sustaining moderate to severe damage. Chippewa National Forest crews and contractors have been working to clear roads and trails since the storm.

All Hunter Walking Trails on the Chippewa National Forest are now cleared and are **OPEN**.

## **CARTER LAKE TRAIL: Trail Status – CLEAR**

This three mile trail located two miles east of Tenstrike on Forest Road 2419, is also popular with berry pickers.

## **COUNTY ROAD 50: Trail Status – CLEAR**

There are six miles of hunter/walking trails available for hiking and hunting with a variety of habitats from aspen and hardwoods to red and white pine. Hunters please use caution as the paved Paul Bunyan Bike Trail bisects this hunter/walking trail system.

## **GOOSE LAKE: Trail Status – CLEAR**

Twelve miles long, this trail is located on the east end of the Woodtick Trail near Longville. Large wetlands and lakes provide diversity and the North Country Trail crosses through the trail system.

## **JINGO LAKE: Trail Status – CLEAR**

A five mile trail located nine miles northwest of Marcell off Forest Road 2423, Jingo also offers an impoundment with abundant waterfowl and wetlands.

## **JOHNSON LAKE: Trail Status – CLEAR**

This 14 mile non-motorized trail 14 miles southwest of Deer River on Cass County 65 offers hunters clover-covered loops and many route options.

## **MEADOW LAKE: Trail Status – CLEAR**

A favorite of hunters, 14 miles of trail loop through low lying cedar swamps and upland aspen and pine. It is located nine miles east of Bemidji on County Road 20.

## **SKEETER LAKE: Trail Status – CLEAR**

This three mile trail located 17 miles north of Grand Rapids on County 49 provides an easy walk and gently rolling terrain through aspen stands.

## **SPUR LAKE: Trail Status – CLEAR**

This former nine mile logging trail located 15 miles southwest of Bigfork on Forest Road 2402 weaves between mature aspen stands and clover.

## **SUGAR LAKE: Trail Status – CLEAR**

Two miles of trail located seven miles north of Remer on Forest Road 2112. Covered with native grasses and clover, this trail weaves between aspen stands.

## **TOWER LAKE: Trail Status – CLEAR**

Classic grouse habitat and aspen line this four mile trail located three miles east of Pennington on Forest Road 2172.

## **WEBSTER LAKE: Trail Status – CLEAR**

Seven miles of trail located eight miles south of Blackduck near the Webster Lake Campground where seasonal camping is available. The area is predominantly balsam fir.

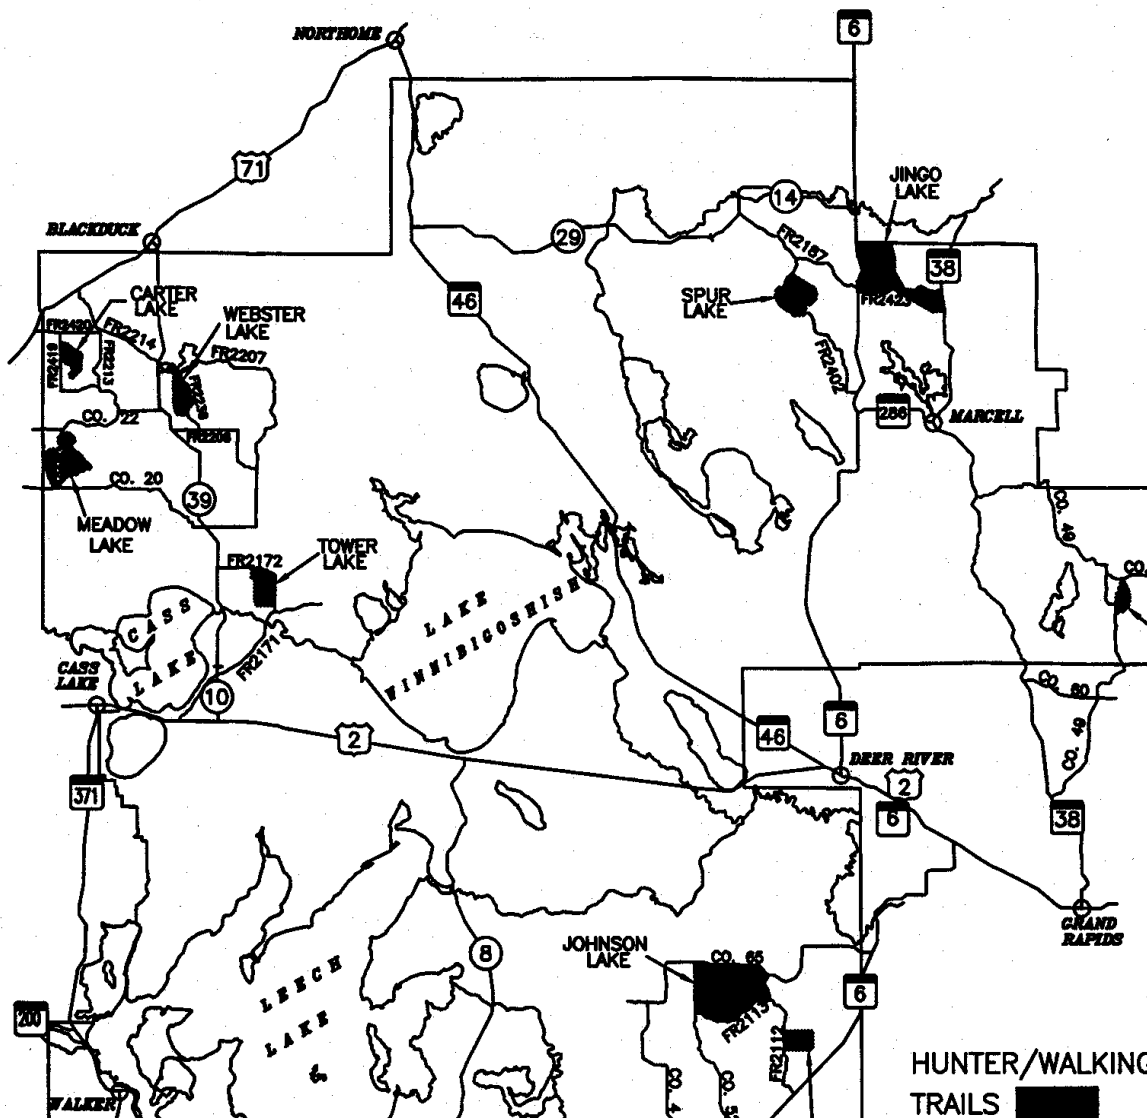

## **MORE INFORMATION**

Individual maps are available for each trail, and maps are also posted at junctions along the trails. Hunter walking trails are non-motorized areas. A free Chippewa National Forest Motorized Vehicle Use (MVUM) map is available showing numbered roads on the Forest open to OHV's. For more information call 218-335-8600.
